

## Plugs & Caps

- Seal 6-32, 6-40, 10-32, 1/4-28, M6, or 5/16-24 threaded ports or fittings

Use Upchurch Scientific® plugs to close off unused ports in valves and multi-port connectors. Our color-coded 10-32 threaded plugs are perfect for identifying stored columns that have different packing materials, or in which different mobile phases have been utilized. Cap off tubing with one of the PEEK or ETFE caps presented on this page and the appropriate fittings from this chapter.

To help determine which plug or cap is best suited for your application, please visit [www.idex-hs.com](http://www.idex-hs.com) for detailed chemical compatibility data.

Part No.	Description	Head Style	Material	Qty.
